

## Dog Wellness and Vaccination Appointment Information

Thank you for your patience while we continue to offer curbside services for the safety of you and our staff alike. Taking the time to fill out this form will help us more thoroughly and efficiently care for your pet at their visit.

Your Name: \_\_\_\_\_

Telephone number to reach you during your dog's visit: \_\_\_\_\_

Dog's Name: \_\_\_\_\_

Has your dog been seen by NCMO Veterinary Services before?  Yes  No

If not, please fill out a **New Client Form**

Which vaccinations, would you like us to administer today?

Rabies  Distemper-Parvo  Bordetella

An important part of when your dog visits NCMO for vaccinations is a wellness examination. Before administering any vaccines the veterinarian will examine your dog to look for any issues, and address any changes that you have noticed since your dog's last examination.

Please list any concerns you have noticed since your dog's wellness examination along with any previously existing conditions/diseases: \_\_\_\_\_

What medications is your dog currently receiving? \_\_\_\_\_

What diet is your dog currently eating? \_\_\_\_\_

Does your dog live mostly indoor , outdoor , or both ?

Is your dog currently receiving flea/tick preventative? \_\_\_\_\_

Is your dog currently on heartworm prevention?  Yes  No

\*Heartworm disease is a potentially fatal disease that is transmitted by mosquitoes. We recommend using monthly heartworm preventative, and regularly performing heartworm testing.

Would you like a heartworm test performed today?  Yes  No

We will call you or meet you outside with the findings of our physical exam. We will then discuss any changes or recommendations for your dog's care. Thank you for entrusting us with your pet and we look forward to speaking with you.

\*Payment is required at the time of service.
